STRATEGIC SUPPORT. REAL RESULTS.

CAPABILITY STATEMENT

CORPORATE OVERVIEW

How Can I - Management LLC is a New Jersey-based management, procurement and administrative consulting firm. We provide organized, practical support to businesses, contractors and nonprofit organizations navigating documentation, requirements and next steps.

CORE CAPABILITIES

- Business formation and organizational support
- Vendor registrations, certifications and compliance support
- Procurement research and solicitation review
- Proposal, bid, quote, estimate and invoice preparation

ADDITIONAL SUPPORT

- Contract documentation and project coordination
- Business-development research and administrative support
- Website and essential business-document support
- Tailored scopes, deliverables and timelines

SERVICE APPROACH

We begin with an email-first intake so we can understand your organization, jurisdiction, documentation needs and desired timeline. Each engagement is defined through a tailored scope and quote before work begins.
